Too small to compete in the traditional class, but far too good to go to the sale barn. This ram is straight, thick boned, square hipped, long loined, and his fleece is entered in the wool show. His sire produces thick and hearty lambs (also sired yearling ewe entry)

This ewe was a favorite at birth and continues to catch your eye. Her western bred dam's fleece is in the fleece show, and she passed on those genetics. Sire has an excellent fleece and loin and won the odd yearling ram class in Fairmont. Will test at least QR.

All American is a deep ribbed big footed ram, so if you believe in my slogan behind every Big Buck is a foundation female Borcher 12011 is also the mother to player, out of my best 2016 fall female. This guy is bred to produce good ones. #Gentlegiant.
