

Louisville Meeting Minutes

Meeting was November 12th and was called to order at 5:15.

- We need to watch our budget this year because we overspent ourselves by \$1500 last year. We still have enough money, but will look at areas we can save in since we don't know how the loss of Forest Grove will affect us.
- We decided that the champions at Louisville will still get \$50 gift cards this year, but this can be decreased next year if we need to.
- Brainstormed ideas about an activity to do at the Nat'l like laser tag, racquetball, horseshoes, ladderball, bags, or pingpong tournament. We will also research more ideas of activities in Ohio.
- We put together ideas about the exhibitor gifts for next year's Nat'l including wool cards and hoof trimmers.
- We would like to see updates of the futurity points placings online results for members to see during the show season. This might motivate them to find more shows if they see they need to improve their points.
- We thought that to save some money we will take the year off of participation ribbons so they can be reused. We are only going to give ribbons up to 5th place, then participation ribbons after that.
- Cassidy brought up the idea of having a 50-50 raffle at Louisville. Chances would be \$1 each, six or seven for \$5, and an arms length for \$10.
- Talked about splitting ewe lamb class at Louisville because people might bring more ewe lambs if they knew there would be a late class.

Secretary,
Jessica Taylor
