

Minutes from NAILE meeting

Members and NAILE exhibitors met Nov. 10th for pizza and a meeting. The following items were discussed.

- Reviewed minutes and finances from the National Show meeting. We still have a good balance (\$6,300), but lost almost \$2,000 this year.
- One additional exhibitor gift idea was provided – hoof trimmers.
- NAILE Champion Awards – Keep the \$50 gift certificates this year and look for sponsors for next year.
- Anne Key Award – There will be a traveling trophy for good sportsmanship. The details of how the winner will be chosen will be determined by the Jr. Board.
- Members liked the idea of going to a water park for their Thursday night activity.
- Look for sponsors for specific awards for 2013.
- Banner Ad – Change the slogan for this year's ad. The ad will be in the next issue of the Banner with the NAILE results.
- All-American in Maryland in 2015 – If there is not enough interest, the Columbias will not be participating that year. There is an \$850 contribution each year, and there was only one exhibitor the last time it was out east. We would continue to participate when it was in an area that generated more exhibitors.
- Ask again about a late ewe lamb class at NAILE.
